Core Competencies

- **Drug Testing** (DOT-compliant, rapid to extended detection): Oral saliva (minutes), urine, hair (90 days), nail (3–6 months), sweat patch (continuous), breathalyzer (instant alcohol). Mobile collection, same-day urgent, full chain-of-custody.
- **DNA Testing** (AABB-accredited, legally admissible): Paternity, maternity, relationship verification via cheek swab. Fast turnarounds, rush options, secure portal.
- **Litigation Support:** Expert letters, affidavits, chain-of-custody, certified testimony (in-person/telephonic). Proven in 100+ DFW court cases; HIPAA-secure.

Differentiators

- Fully mobile/on-site across DFW—minimizes disruption for agencies/field ops.
- Affordable transparent pricing (\$15–\$45 base; volume discounts; meet/beat quotes).
- Veteran-owned advantages for Texas HUB/state preferences.
- Attorney expertise ensures court-defensible results.
